

FAN HISTORICON

A Convention About Fandom's Past

May 23-25, 1994

Hagerstown, Maryland

**Monday – Wednesday
(after Corflu)**

The publications and legacy of our fannish past are notoriously fragile and in danger of being lost and forgotten. FanHistoricon is a gathering of those interested in preserving our history.

Join us to find out what is being done and to help plan how we can preserve our history and our heritage. Technical expertise, historical perspective, students of history, and concerned fans are welcome. How can we preserve the fanzines and the artifacts of the past? How can we make them accessible? How can we make this an ongoing, sustainable effort?

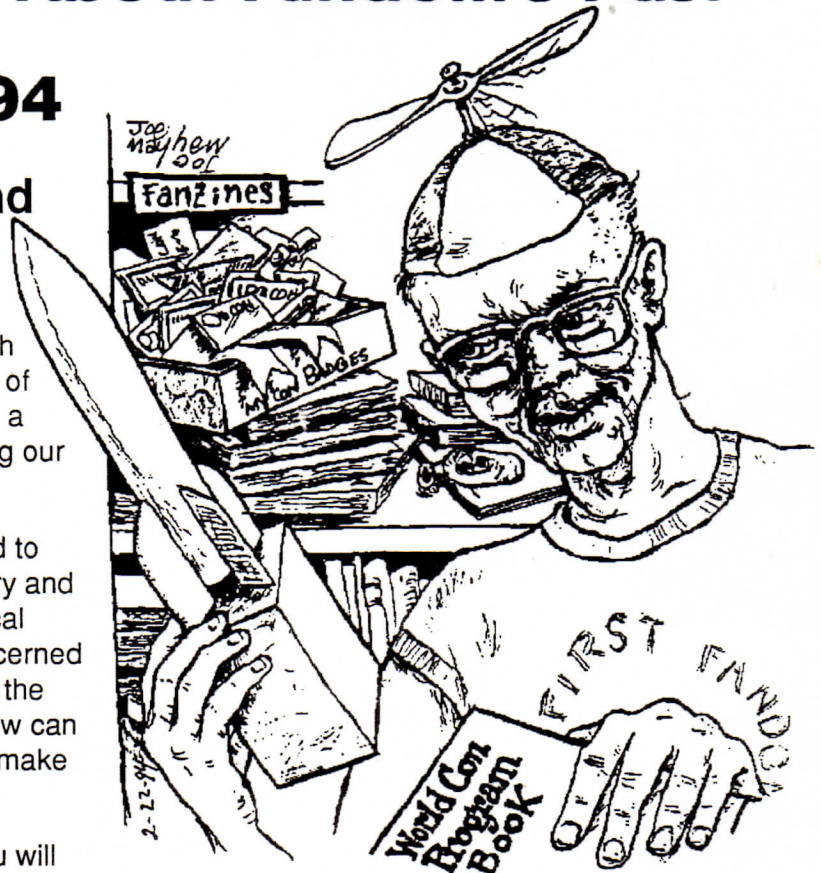

Scheduled right after Corflu, we hope you will take advantage of the opportunity to revel in a weekend of contemporary fanzines and fanzine fans, followed by some constructive attempts to coordinate the the projects that we are doing to preserve what we all enjoy.

For more information or to suggest some items for discussion, contact one of the Fanhistoricon Coordinators:
