MISCELLANEOUS INFORMATION

Attention Filksingers: The Hasbrouck Room will be available Friday and Saturday nights after programming ends, for filksinging.

There will be a *First Fandom* meeting Saturday night in room 1001-02. Please see Art Saha for more details.

The hotel pool and health club will be open Friday and Saturday nights until midnight.

The New York Science Fiction Society - The Lunarians, Inc. will be sponsoring our Con Suite Parties. The suite will be open from 7 PM Friday until 6 AM Saturday and will reopen at Noon Saturday, closing again at 6 AM Sunday. It will reopen on Sunday at Noon. The Con Suite is 1126. All are welcome.

In addition, LUNACON 25 will hold the traditional "Dead Dog" Party on Sunday evening after the Convention has come to a close. If you are still in the hotel, come and relax with us.

There will be several other parties throughout the weekend. Check the bulletin boards around the convention area for locations and hours.

If you are hosting a party, we will supply you with enough ice to keep all your refreshments cold. All you have to do is leave your name and room number, along with the time you want the ice delivered on the special Ice List in the Convention Headquarters room (room 219). Please try to give us this information by 5:30 PM each day. Remember--someone must be in the room when the ice is delivered. Fifty pounds of melted ice can get very messy!
