The Relaxacon

Thursday, June 21-Sunday

Midwestcon is known as The Relaxacon because of its total emphasis on parties, smocking, and personal interaction rather than formal programming. Over the years at Midwestcon, marriages and reputations have been made; Worldcons and card games have been won and lost. Midwestcon features terrific con suites (separate smoking and non-smoking) stocked with beverages and munchies and a small, but quality huckster room next to the pool atrium.
