My dear Tarr:

One of your guesses about my pseudonyms is correct; the other is not. I'll leave it to you to guess which is which. Also you're wrong about the reason for pseudonyms.

The picture is of the de Camps, of course. I always considered the sending of unsolicited pictures of oneself conceited, but I have a surplus of these p.c.'s. So I hope you won't mind.

Cordially,
