For your money you'll receive a free banquet, a hand drawn name tag proclaiming you to be the Sucker GoH and get a #1 copy of Ted Sturgeon's Maturity.

CLAIMER: We want to soak you so PLEASE Pre-pre-register. Hee Hee.

We are interested in artwork for Minicon publications, badges and our famous T-Shirt. Artists should submit T-Shirt designs to Minicon before Dec. 1, 1980. Artists interested in doing work for publications should contact Minicon as soon as possible.

### HUCKSTER

Our official Huckster table rates and artshow rates haven't been set yet but should be similar to last years.

### GOPHERS

If you would like to be a Minicon Gopher please contact Steven Brust c/o Minicon.

What type of pinball games would you like? Write and tell us.

1. Edged weapons are allowed but must be handled responsibly. Irresponsible handling of any weapon is dangerous and maybe grounds for ejection.
2. No real looking guns. The plexiglass light-emitting zap guns generally do not "look real" to us.
3. Lasers are permitted if they belong to Class one or Class two as defined by the Bureau of Radiological Health.
4. In order to avoid disturbing our cetacean members, no Nukes!!!
