Volunteer!

Minicon is totally volunteer run. We can always use a hand, most often in the artshow and around the consuite and bar. To volunteer during the convention, look for Matt Strait or any Concom member and they'll find somewhere you can help. Or you can drop by any department and directly ask them if they'd like help. The volunteer coordinators don't need to know what's going on as long as everyone's happy.

We'd also love your help putting together next year's Minicon! Let us know that you're interested by checking the box on your Minicon 47 pre-registration form and we'll get in touch with you. Announcements of meetings will also be posted on the Minicon web site (<http://mnstf.org/minicon/>) and in the Einblatt (<http://mnstf.org/einblatt/>)
