## SPOTLIGHT ON ARTIST GUEST OF HONOR JOHN PICACIO

John Picacio is one of the most prolific American cover artists for science fiction, fantasy, and horror of the last ten years. His artwork is noted for its diversity and range, often combining traditional drawing and painting with digital finishes. He was the artist for the 2012 George R. R. Martin A Song of Ice and Fire calendar, and his company Lone Boy published a 2014 calendar reimagining the classic Loteria card game. La Sirena Loteria card won the 2013 Chesley Award for Best Product Illustration.

Picacio is a Hugo and World Fantasy Award-winning artist. He has also received the Locus Award, seven Chesley Awards, and two International Horror Guild Awards. His notable covers include books by Michael Moorcock, Harlan Ellison, Robert Silverberg, Dan Simmons, Frederik Pohl, Brenda Cooper, and franchises such as Star Trek and the X-MEN.
