Program Notes

Welcome to NORWESCON, we're glad you're here. In the center of this pocket program, there is the complete schedule which has all the up-to-date program information you will need to decide (or try to decide) what to do. For descriptions of events, check your PROGRAM BOOK.

With all the events at NORWESCON, we're sure you'll enjoy yourself.

INFORMATION TABLE

The Information Table is located in the Phoenix Lobby. There you may ask questions, get information, and sign up for some of the various activities happening at NORWESCON.

NENDELS MOTOR INN

You may notice that the Nendels Motor Inn is listed in your event schedule. That's because Nendels is the home of this years workshop programming.

In the Executive Conference Theatre (ECT Room), artists will demonstrate their various techniques (audiences very welcome). The ECT Room is located just off of the Nendels main lobby.

Room number 126 is the place where our Writers' Workshops are held. This room is one level above the lobby. (Ask hotel desk for directions).

We hope you will attend these NORWESCON events and enjoy the hospitality of NENDELS.

FILLING IN YOUR SPARE TIME

During the few unoccupied hours you may end up with at the con, you might want to come over to the Room 414 and volunteer for a security or gofer shift. This convention only succeeds due to the work of volunteers who donate three or more hours of their time to help make NORWESCON run smoothly.

Volunteering to help at NORWESCON has not been found to cause lung cancer by the Surgeon General and will be appreciated by the Con Committee.

**FOR
THE
BEST
CONVENTION**

NAME THE WORLDCON!

The Atlanta in '86 Bid Committee would like you to help us select a name for a 1986 Atlanta worldcon. The winner will be announced at LACon II, after Atlanta is selected. The prize for the name selected is FREE transportation to the worldcon from anywhere in North America. Deadline for entries is July 31, 1984. In the case of duplicate entries, the person living closest to Atlanta with the earliest postmark will be the winner. Hint: Don't call it Peachcon.

ATLANTA: CITY OF THE FUTURE

Atlanta has been acclaimed as the best place to live in the United States. It is also a great place to visit. One of the most popular meeting places in the country. Atlanta is also one of the lowest priced.

You can't find an easier place to reach than Atlanta if you come by auto, train or bus. And it's even easier to reach the world's largest airport. In-town transportation is easy too, by car, taxi, bus or MARTA rapid rail, the newest in the nation.

Atlanta's many dining establishments range from "down home" to "haute", and there are a number of restaurants located in especially atmospheric settings such as an authentic antebellum (pre-Civil War) home, a former slave cabin, a Victorian mansion and a converted church. Not only can you dine on cuisines from all over the world, but the region's own specialities are well worth sampling.

Nearby places you might want to visit include Stone Mountain Park, Six Flags Over Georgia, Callaway Gardens, Kennesaw Mountain National Battlefield, the fabulous Fox Theatre, the Gone With The Wind Museum, or even the Big Shanty Museum, home of the steam locomotive "GENERAL", the star of Buster Keaton's great silent comedy film.

ATLANTA HAS IT ALL!

THE BEST IN HOTELS

Atlanta has some of the best hotels and convention facilities in the world. And ATLANTA IN '86 has reserved the best of them for the 1986 WorldCon. In fact, we will probably not need all the function space we already have committed to us. The Atlanta Hilton and the Hyatt Regency have over 200,000 square feet of function space and 2600 sleeping rooms. All function space is easily accessible by wheelchair. With the addition of the Atlanta Marriott Marquis, the spectacular total is now over one-third of a million square feet of function space, 4,270 rooms, and over 20 restaurants and lounges. All of this is within a one-half block radius.

Additionally, nearby hotels have offered us over 3,000 rooms ranging in style and luxury from the YMCA (2 blocks away) to the Westin Peachtree Plaza (the world's tallest hotel, 1 block away). Over 200 sleeping rooms in the three main hotels are designed for use by those with physical impairments.

DISCOUNT AIRLINE FARES

For the first time as part of a worldcon bidding package, ATLANTA IN '86 has negotiated an exclusive discount airfare for attendees of the 1986 worldcon in Atlanta. Eastern Airlines has agreed to provide a special 30% discount off regular coach rates. A special 800 number will be provided for reservations. ADDITIONAL benefits under this package are still being arranged.

As a special benefit to our presupporting members, the ATLANTA IN '86 committee will hold a raffle to give FREE AIRLINE TICKETS to the Atlanta Worldcon to some of our presupporters. To be eligible for this drawing, you must be an ATLANTA IN '86 presupporter by August 1, 1984.

OUR COMMITTEE

Come and visit us at our parties at many regional conventions. Look over our bid information, examine our hotels' convention facilities, the city, the committee — all aspects of our bid. Ask questions. Then make your decision: we are confident that you will find ATLANTA the best location for the 1986 worldcon.

The ATLANTA IN '86 committee includes fans with a broad range of talents and years of experience who have worked and run conventions from small regionals to full worldcons. Penny Frierson and Ron Zukowski are co-chairmen. Jim Gilpatrick is vice-chairman, Mike Rogers, treasurer; Don Cook, recording secretary; Avery Davis, corresponding secretary; Chauncleer, Comptroller. In addition we have Sue Abramovitz, Suellen Brundige, Joe Celko, Maureen Dorris, Meade Frierson III, Gail Higgins, Samanda Jeude, Barbara Merritt, Ken Moore, Bruce Pelz, Elayne Pelz, Sue Phillips, and Joe Siclari.

Associate committee: Gail Bennett, Judy Bemis, Dan Caldwell, Carolyn Coogler, Jeff Copeland, Paul Cordsmeyer, Tom Deitz, Patrick J. Gibbs, Deb Hammer-Johnson, Stuart Herring, Bob Hillis, Irvin Koch, Brad Linaweaver, Frank Love, Dick Lynch, Nicki Lynch, Herb McCaulla, Mary Ann Mueller, Tony Parker, Charlotte Proctor, Linda Riley, Bill Ritch, Liz Schwarzin, Nancy Segar, Larry Smith, Edie Stern, J. Robert Swanson Jr., Dan Taylor, Robert Teague, Mike Weber, Stephen Whitmore, and Warren Williams.

If you would like more detailed information on the ATLANTA IN '86 bid, send a 37¢ SASE. Better yet, when you have decided that ATLANTA IN '86 is your choice, why not become a presupporting member? Your \$5.00 will not only help us throw a better party for you at conventions, but you will also get a subscription to our fanzine, SOUTH ON PEACHTREE (first two issues averaged over 30 pages), and the entire \$5 is credited toward your membership when we win. Talk about "your money's worth"!
