GAMING SCHEDULE

The Gaming Department will do their best to maintain this schedule. The start times are set, the ending times will vary by game and players. Some games may be expanded due to popularity or cancelled if player minimums are not met. We recommend that you sign up for those games that you really want to play. Remember, in the end, the Game Master/Host is always right.

Tables are available for open gaming. However, tournaments and scheduled events have first call for all tables. Again the Game Master/Host is always right and has final call.
