Statement From the Chair

Hello, all!

Time is flying by and Norwescon 33 is quickly approaching! It's hard to believe that it's already November – and that means it's time for us to let you know how plans for the convention are progressing.

I hope you take a moment to read our progress report. You'll see that our wonderful team of volunteers have been putting in countless hours trying to make Norwescon better and better. Each year we try to out-do the previous year by implementing fresh programming, new and exciting special events, and by welcoming new dealers in the Dealers Room and new artists in the Art Show. That's just the beginning! We'll have much more to report in our second progress report in February.

We want you to join us! Please take the time to make sure you have sent in your membership and made those hotel reservations. We don't want you to be left out!

The countdown has begun! See you April 1st, 2010.

Tracy Knoedler
Chair, Norwescon 33

PROGRAMMING UPDATE:

New wonders of panel info-technology are in development!

We are tearing down and rebuilding workshops, panel topics, and panelists. We have the technology and know how to make them better, stronger, faster. Over 400 hours of panels are in the works for your enjoyment this year. We will have

over 70 hours of science-related panels and workshops focusing on space, biological, technical, and fringe science. Some of the other topics we will be testing will be art, writing, literature, comics, movie previews, costuming, horror, urban fantasy, fandom, media, fan fiction, gaming, young adult, and more. The programming staff is working diligently coming up with diabolical ideas to keep you hopping with plenty of things to do and check out. Here are some of our workshops:

Writers Workshop The Fairwood Writers & Norwescon 33 invite you to participate in the annual genre fiction writing workshop. Deadline for submissions is December 20, 2009.

Single Pattern Contest The pattern selected for this year's contest is Simplicity pattern number 2972 – a shoulder bag! Regardless of your skill level (and even if you don't sew!) you can create an entry.

11th Annual Fandance Film Festival The Festival is a celebration of low-and no-budget cinema, brought to wondrous lurching life by amateur filmmakers from all around the Pacific Northwest.

The Programming testing department is always looking for panel suggestions. If you think you have what it takes, please send your suggestions to programming@norwescon.org. Please keep your eyes to the stars or at least the Norwescon web site for programming updates as the year moves on.

Programming Director

Volunteer Opportunities Await You!

Did you know that Norwescon is a completely volunteer-run event? Without all the hard work that volunteers put in each year, there would be no Norwescon. Some people only volunteer at the convention, while others take a more active role throughout the year. If you would like to get involved, a good way to learn about available volunteer opportunities is to attend a ConCom meeting:

November 14, 2009

December 12, 2009

January 9, 2010

February 20, 2010

March 13, 2010

May 8, 2010 (post-con meeting)

Executive Team Meeting: 11:00 a.m. - 1:00 p.m.

General ConCom Meeting: 1:30 p.m. - 5:00 p.m.

Post Meeting Social: 5:00 p.m. - 9:00 p.m.

Doubletree Hotel Seattle Airport

18740 Pacific Highway South

SeaTac, WA 98188

206-246-8600

If you can't attend the meetings, please send email to volunteers@norwescon.org letting us know what you are interested in doing. Our volunteer department will work with you to find the perfect volunteer position for you.
