## Gaming Staff Positions Available

Greetings from your friendly neighborhood gamer geek squad! Norwescon is gearing up to be extra exciting this year, and gaming is no exception! We have been given the Maxi's space again and planning is in full swing to make this the best year for gaming yet!

We are currently recruiting game masters and staff. Open staff positions include track leads for several gaming tracks and room staff. Our tracks are family gaming, board games, card games and tournaments, role playing games, computer games, LARPs, and dealers/kickstarters. Track lead positions focus on recruiting game masters within a given game genre and work with the department lead and scheduler to get game masters set up to run games during the convention.

Room staff work the room during the convention doing head counts, passing out raffle tickets, directing people to their tables, and assisting people in finding games.

Contact [gaming@norwescon.org](mailto:gaming@norwescon.org) to volunteer as gaming staff.
