Any and all alternate programming is your responsibility!

So SHE sez, "It's a RELAXACON, man! You go there and have a good time!" an' I sez, "Great, who's the guest of honor?" an' SHE sez, "There ain't no guest of honor, it's a RELAXACON" an' I sez, "Well the who's the guest of honor?" an' SHE sez, "There ain't NO guests, an' no panels or events or programming neither." an' I sez, "Well if there ain't none of that, what'd you wanna go fer?" an' SHE sez, "To have a GOOD TIME." an' I sez, "How can you have a good time without no panels or programming or guests or nothin'?"

"So I sez 'look, if worse comes to worse, we can lock our selves in the hotel room all weekend' an' he shut up quick!"
