## Time Travel Star Trek!

Have you wanted to be part of a big group costume, but don't have a group? Or maybe you want to make a costume for the convention, but feel out of depth? Looking for some inspiration? Well, look no further. Norwescon was started by a group of Star Trek fans, so to celebrate 50 years of Star Trek, let's all dress as people from the Star Trek universe. And feel free to mash it up with your favorite time period, both ours and Trek's! Renaissance TNG bridge officer? 50's housewife Klingon? Grunge Vulcan from the 90's? Hippie Romulan? The sky is the limit! Go as simple or fancy as you want, and we'll see you out and about at the convention on Friday, going boldly. Look at the schedule for a meetup and photo op!
