## GOH Spotlight: Tran Nguyen

Tran Nguyen is an award-winning illustrator, gallery artist & muralist. At the age of three, she and her family were given the opportunity to immigrate to the States, escaping their impoverished life in Vietnam. Growing up in a more developed country, she was able to pursue her passion for the arts and is currently working as a freelance artist.

Tran's paintings are created with a soft, delicate quality using colored pencil and acrylic on paper. She creates illustrations for magazines, book covers, wine and beer labels, film, and animation, as well as other advertising assets. She has worked for clients such as VH1, Tiger Beer, World Wildlife Fund, and has showcased with galleries across the world. Find out more about her amazing art by visiting her website [mynameistran.com](http://mynameistran.com) and by joining us at Norwescon 42!

## **Keith & Alan's Movie News and Previews are Seeing Double!**

Back for their 14th year, Alan Halfhill and partner Keith Johnson are delighted to bring their unique brand of Movie Previews & News to Norwescon. They put in countless hours of behind-the-scenes toil to bring you the latest movie news, rumors & trailers out of Hollywood and beyond. But they provide so much more than that. They highlight the latest trends, innovations, and challenges in the broader entertainment culture; TV shows, home video, theme parks - the whole gamut! Now how much would you pay?

This year you get THREE opportunities to load up your media memory banks, all at NEW TIMES! Their first show is Noon Friday in Grand 3. Then an after-party meetup, 4 p.m. Friday in the Presidential Suite (1360), for things they didn't have time for in the main Friday show. And the triumph of their Sunday show, which convention veterans know is more free-form and features the must-be-experienced-to-be-believed, "why? Why? WHY?," Sunday at 11 p.m. in Evergreen 1-2. They make it easy to get your weekends dose of full-frontal media mayhem!
