"The Longest Night"

Get Ready to Play Open and Scheduled Games Online!

The Norwescon Games Department is working hard to bring you all the gaming fun you expect at Norwescon, in a virtual environment. This will include both scheduled and open games online. At this time we are excited to announce we will be partnering with [Tabletopia](#) to offer board games on their online platform! We are looking into other partnerships to offer even more online games content, including role-playing games, board games, card games, and tournaments.

Would you like to help run games or have other suggestions? Please email games@norwescon.org.
