It's a long way to Norwescon 44, so dock your spaceship at Waypoint Norwescon! We've had to make a couple of changes, and one of them is that Waypoint is now FREE.

Register here https://cm.norwescon.org/kiosk/wp_web_reg/ and join us for some games, hanging out (virtually) with friends, and a hand-picked selection of content from Norwescon 43.

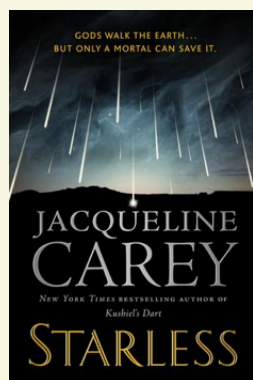

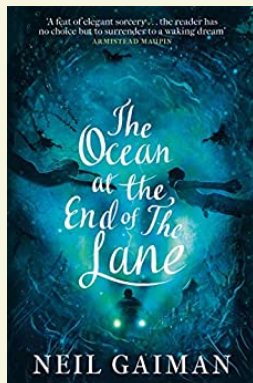

Keeping COVID-Safe at Con

Norwescon's COVID policy for the convention includes requiring proof of

vaccination for all members, masking, and implementation of prudent safety practices. The convention services team is leading a cross-sectional effort to determine how to implement items like vaccine status verification at check-in, configuration of physical spaces for social distancing, and monitoring compliance during con. Many details remain to be worked out, but a truly awesome team is working to get it done, under the guidance of safety manager Felice Nightengale. Stay tuned, and please write to conventionservices@norwescon.org if you have any questions.

The Single Pattern Contest Has Begun

Whether you have had a hard day of work or a delightful evening out, nothing beats coming home, shedding your coat and shoes, and hanging up your hat. Our judges are prepared to be dazzled and amazed by your versions of this year's patterns, [Simplicity 8361](#) and [Simplicity 8713](#).

The object of the competition is to

create a one-of-a-kind garment using one of these patterns. Adjustments or changes to the pattern are allowed, as long as the end product reflects the original pattern. No pre-registration is required! Submit your entry at the judging session. For more information, [see the Single Pattern Contest page](#) on our website.
