DIRTY LITTLE SECRETS

...is the daily newsletter of Norwescon 32, and we're doing our best to invent new ways to be wrong about journalism. Your inadequately-supervised editor was R'ykandar (Dara) Korra'ti. Photographs by Mimi Noyes, Dara Korra'ti, and SECRET SOURCES. Cartoon by <http://baconforbirds.com> and Paul Johnson. I'd be cleverer but it's 3:45am and I

haven't even started large type. G'night everybody!

Charity Events and Volunteers would like to thank the gracious vendors who donated items to the charity auction and volunteer event.

Your editor would like to thank whoever stepped in and did an issue on Thursday (for Friday morning) when she was /d/r/u/n/k/ incapacitated. She'd thank you by name, but, um, doesn't know who you were. Thanks!

WE RUN ONE FRONT-PAGE STORY AND YOU LOT GET ALL CRAZY WITH THE ROMANCE

We've heard of at least(!) three other engagements this weekend; the only one we have submitted is that of Laurie Reynolds (Rowan Silverwing) and Jacob Sullens (The Mad Potter), engaged on stage at the Fannish Fetish Fashion Show. The post-it with the names on says it's true, and that's good enough for us!
