NOVACON 21 SNOOKER TOURNAMENT FORM

<>

Yes folks, the indispensible Stephen Tudor has yet again agreed to organise a Snooker Tournament for us at NOVACON 21. Thanks a lot Stephen.

The Tournament will be open to all members of the convention, and will consist, in the opening rounds, of a "six ball sudden death" game. This means you only have to pot six reds and all the colours, more quickly and profitably than your opponent, to win. The later rounds may be extended to ten balls, or even full games, depending on the number of entrants and the time available. The decision of the Tournament Organiser, Stephen Tudor, will at all times be final.

There will be a prize for the overall winner of the Tournament. and special prizes for EITHER the highest six-ball and ten-ball breaks OR for the FIRST person to get a six-ball maximum of 75 and the FIRST person to get a ten=ball maximum of 107.

To enter the Tournament all you have to do is return this form to Stephen Tudor, at 845 Alum Rock Road, Ward End, Birmingham, B8 2AG, and then pay ONE WHOLE POUND to Stephen at the convention before you start your opening game
