## Gaming News

All of the scheduled games will be played in the Morrison Room. Tables in the Morrison Room may be used for unscheduled events when they are available, however the SCHEDULED games have priority and unscheduled events must surrender table space in the Morrison Room when the space is needed for scheduled games. The Morrison Room will close when the last scheduled game is finished each night, and any unscheduled event must vacate the room at that time. The Ross Island Room is open to all gamers from 11AM Friday to 4AM Saturday, from 7AM Saturday to 4AM Sunday, and from 7AM to 4PM Sunday. If you are interested in running a scheduled game, please contact Andrew Nisbet. Remember, the Computer is your Friend. Thank you for observing all safety precautions.
