 of Ed Wood Jr., King of the bad movie.
 10:53am *Glen or Glenda.* This was to be the story of Christine Jorgensen,

 film contains the famous giant octopus fight.
 1:09pm *Plan 9 from Outer Space (AKA Grave Robbers from Outer Space).*
 Known as the worst film of all time! This classic must be seen to
 be believed! "Remember: Future events like these will affect you in the future!"

- 6:12pm *The Night the World Exploded.*
- 7:16pm *The 4-D Man.*

- 9:58pm *Akira.* This may be the most expensive animated movie ever made. This is the tale of a biker gang in neo-Tokyo after WW III. It has lots of action and some fantastic scenes in it. They took their time and it shows.

RESTAURANT AND SERVICES GUIDE*Ariel Shattan*

Listings are grouped by location: Hayden Island, Portland, and Vancouver. Non-smoking sections are available in all restaurants in Oregon larger than a certain size. Services are listed at the end of each section. We recommend that you make reservations for any restaurant that isn't fast-food, pizza, or a Denny's clone, especially if you have a big group. Phone numbers are Oregon unless specified. If you don't see the restaurant you want in this listing, ask me. Space considerations limited the list, but I got a million of 'em. Price ranges:

¢ = under \$2.50

\$ = entrees from \$2.50 to \$5.00

\$\$ = \$5.00 to \$10.00

\$\$\$ = \$10.00 to \$18.00

\$\$\$\$ = over \$18.00

Drinks, dessert, and tip (and tax, in Washington) will cost you extra.

HAYDEN ISLAND

You are on Hayden Island, an island in the Columbia River. Any restaurant or store on Hayden Island is within walking distance for most, but walk carefully; traffic is heavy. People with children may want to drive to Hayden Island locations because of the traffic. The only way to access Hayden Island is Interstate-5. I-5 North takes you to Vancouver, and I-5 South takes you into Portland. If you only have an hour to eat, you should probably stay on the island.

There are three main areas for food on Hayden Island: Jantzen Beach Mall, West of I-5, and East of I-5.

Jantzen Beach Mall

The mall is W of I-5, just SW (across the street) of the con hotel. This is an ordinary mall, without the fancier stores that you'll find downtown. There are dept. stores, clothing stores, shoe stores, etc. One store may provide you with the gloves, bow, or bauble your costume needs. It also has a carousel (see the services section for details). REI, an outdoor store, and Toys 'R Us are immediately W of the main mall building. Mall hours are: M-F 10-9; Sa 10-6; Su 11-6. Some large stores and restaurants have longer hours.

PORTLAND

There are restaurants at or near practically every freeway exit from Jantzen Beach on South to Wilsonville. However, on the assumption that you'll only leave Hayden Island if you're looking for something special, I won't list everything available, but will concentrate on favorites of the con committee and Portland gustatorial landmarks.

Northwest Portland

NW streets are easy. They are numbered from East to West starting at the river and named in alphabetical order from South to North starting at Burnside. To get to Chinatown, take I-5 S, take the Coliseum/Broadway Bridge exit, cross the Broadway Bridge and bear left after the bridge. This puts you at Broadway (7th) and Glisan. Follow Broadway South and turn left on Everett (2 blocks). Chinatown is the area between 2nd and Broadway and Burnside and Everett. To get to 21st/23rd, take I-5 S, take I-405 S, get off at the Burnside exit and

turn right on Burnside, follow Burnside to 21st or 23rd and turn right. There are many restaurants in both Chinatown and 21st/23rd. This list doesn't even scratch the surface.

Southeast Portland

To get to most places in this SE list, start with the following directions: I-5 S to the City Center/99E exit. Bear left and don't cross the river (watch for merging traffic). Follow the signs for 99E/Belmont. This puts you on Belmont going East.

Bangkok Kitchen -- 2534 SE Belmont 236-7349

Old Wives' Tales -- 1300 E. Burnside 238-0470

Start with the generic SE directions. Turn left on Grand (just at the end of the bridge). Turn right on Burnside (9 blocks), and go East for 8 blocks. Stay in the right lane (watch out for parked cars): the road splits at 12th, and if you're in the left lanes, you'll be on Sandy. Turn right on 13th and park in the lot behind the restaurant.

Southwest Portland (includes downtown and outlying areas)**Downtown:**

To get into downtown take I-5 S to the City Center exit. Follow the signs to City Center, and cross the Morrison Bridge. This drops you onto Washington. VANCOUVER

There are some nice places in Vancouver, across the river from the con hotel. Take I-5 N and almost everything you'll want to see in Vancouver is accessible from one or more of the first four exits (1A-1D). To get into downtown Vancouver, take exits 1B, 1C, or 1D and go back over the freeway. This will lead you into a grid of 1-way streets. North-South streets are numbered; East-West streets are named or lettered (C, D, ...). Here are a few ideas to get you started. Numbers refer to the Hayden Island map.

Steak, seafood, prime rib. View of the con hotel and Portland skyline. Haven't seen a menu but word is two people can spend \$50 without particularly trying. "This is a Smoking Establishment." Simplest directions to the restaurant: take I-5 N. Immediately after crossing the bridge, take exit 1A east onto Highway 14. At the light, turn right, then right again so that you're driving west on Columbia Way (the access road that parallels the highway.) After dinner, turn left out of the parking lot and follow signs to I-5 S.
