FOR MORE EXPENSIVE SUGGESTIONS, SEE BARBARA.

PLEASE NOTE: We are potentially facing an incredibly large PgHLANGE. Larger than we've ever been, possibly approaching 500 in attendance. The Marriott is a popular hotel around town, with a disco in the main part of the hotel, and several popular restaurants, so there ia a large likelihood of having mundanes around, as well as a great many fans. Please keep an eye on your valuables, as well as on those not a part of the con. For your own good, wear your badge at all times. The concom has tried its best to foresee most contingencies that could arise, but we're not perfect. Help us make this a great con by helping one another.
