Philcon has moved this year to the C.P. Franklin Plaza Hotel. The deluxe accommodations at the Franklin Plaza include an indoor pool and other recreational facilities. It is located within a mile of Chinatown, and is convenient to many eateries of all kinds. The convention space is **much** larger than ever before. Wait until you see the atrium lobby!

PROGRAMMING

The program will include speeches, panels, seminars, workshops, films and a masquerade. The great success of last year's seminars led to a greatly expanded list this year. There will be workshops for writers (send in manuscripts in advance to the PO Box) and for artists. Any weapons worn as part of costumes must be peacebonded, and **no** firearms or gun replicas of any kind are permitted.

REGISTRATION

Identification must be shown to pick up registration badges. All members 14 years of age or under must be accompanied by a parent or other legal guardian to register.

PARKING

The garage under the Franklin Plaza will provide parking at \$3/day for **registered hotel guests only**, beginning at 6:00 PM Friday. If you are not a registered **hotel** guest, use one of the nearby lots or park on the streets: it's cheaper.

ART SHOW

This year's room is larger and better lit than ever before. Auctions are scheduled for Saturday evening and Sunday around noon. Artists **must** reserve space in advance. Rules and entry forms will be available in late summer. For information and forms contact:

Larry Gelfand, 3806 Wenark Drive, Newark, Delaware 19713

HUCKSTER ROOM

The Huckster's Room will be in one of the main exhibit halls. There will be a limit of three tables per huckster. The committee reserves the right to reject or limit any requests for tables. Each table includes a membership. For more information and rates contact:
