

Philcon Program Participants

Welcome to Philcon. We hope you have a great time. Please read the instructions below, fill out the lower half of the form before you leave, and give it back to the Green Room Staff. Thank you very much.

General Instructions:

1. Because of the limited space and numerous program items, it will be important to keep the program on schedule, so we'd greatly appreciate it if all participants arrive at the Green Room prior to their panel or talk and if all moderators would try to start and end panels on time. If a panelist is late, the panel will start without him or her and he or she can join the panel in progress.
2. Please go to the Green Room (Salon 7 on the Mezzanine) at least 15 minutes prior to your panel or talk.
3. When the panel ends, participants are requested to leave the room and proceed to the Mezzanine Foyer for any autographs or followup discussion (on an individual basis) with members of the audience. This will help eliminate the congestion that sometimes occurs at the front of the room and keep the program on schedule.
4. A Philcon staff member will introduce each panel and the moderator. The moderator will then introduce the other members of the panel. To that end please fill out the bottom of this flyer with a one or two line description of how you would like to be introduced. Moderators will be given these in the Green Room.
5. We hope you will attend the Meet the Pros party on Friday between 5 and 7 in Dominion Ballrooms A & B, and Provincial South.
6. On Friday at 10pm and Saturday at 8pm we will hold a "People Auction" with monies benefiting the Philadelphia SF Society. If you would like to have a 1/2 hour of your time auctioned off, please so note on the form below. Contact the Green Room for details.
