Video Program

FRIDAY

6 pm: My Living Doll

- The 60's sitcom with Julie Newmar as the robot and Bob Cummings as her mentor.

6:30 pm: Captain Video

- Join Al Hodge as he saves the universe yet again.

7 pm: Science Fiction Theater

- Two episodes of the great SF TV series

8 pm: Shadoevlson

- If you think Shadoe Stevens was great as the announcer on Hollywood Squares, wait till you see his *Cinemax Comedy Experiment*. To say the least, the differences are vast. A must-see for the psychedelically minded.

8:30 pm: Way Out

- Episode titled "Dissolve To Black"; another lost TV classic of the early 60's.

9 pm: The Wizard of Speed and Time

- Mike Jittlov's masterwork; perhaps the best G-rated movie of all time - and as a special added attraction, after the movie, we'll be showing freeze-frames from the video disk so you can read all the *subliminals*.

11 pm: Nightmare Sisters

- Three women (Linnea Quigley, Brinke Stevens and Michele Bauer) start fooling around with the supernatural, with the usual consequences.

12:30 pm: *Go home already!*

SATURDAY

7 am : A-ko 4 : Final 60 min

- A-ko returns to the madcap mania that made the first one so much fun. Sensei is getting married to the one man that all the girls are in love with. A-ko & B-ko martial their forces to prevent this. Meanwhile someone's looking for C-ko...

8 am : Timestranger 90 min

- A mysterious boy from the future kidnaps a field trip by turning their bus into a time machine. They're pursued by an agent from the future back to Japan's past where they get caught in the crossfire between two possible futures.

9:30 am : Angry Sherbert 30 min

- Ran gets a sherbert bird from Oyuki. When she takes a few too many sherbert cones from it all hell breaks loose in typical madcap Urusei style.

10:00 am : Dirty Pair : The Conspiracy of Flight 005 60 min

-The Dirty Pair are called in to investigate the destruction of a Space Shuttle and the disappearance of a Chemist and his family. The destruction rapidly mounts when someone starts trying to kill them.

11:00 am : Manle-Manle 50 min

- Three tales too weird to describe. Excellent animation and some of the strangest stories you'll ever see.

11:50 am : Dragonball 60 min

- There are Seven Magic Dragonballs. Whom ever controls them all can make one request of the Dragon. Zero and his friends compete in a martial arts campaign to win the final one. (In English)

12:50 pm : Orange Road-TAP Gun + Xmas Eplisode 50 min

-TAP GUN is a terrific parody of Godzilla

movies. A must for any Orange Road Fan.

-X-mas Episode : Kyosuke has to chose who to pick who to go to the Christmas party with, Hikaruchan or Madoka. When he screws up he finds that he has to do it over again and again and again...

1: 40 pm : Orange Road & Urusei Yatsura Music Videos. 20 min

- A selection of music videos that were done for the shows using clips from the shows and some of the music.

2 pm: Dynamon Dubs

- A couple of hours of the English language comedy version of the Japanese superhero series. Look for "Flipper's Revenge", "The Many Loves of Lucky Pierre" and "Rhino Boy".

4 pm: Dr. Who - The Unofficial Version

- Back by popular demand, Ryan Johnson's homage to the long-running British SF series, in four parts - plus *Star Trek: The Pepsi Generation!*

6 pm: J-Men Forever

- Another perennial favorite, Firesign Theater's reworking of some of the best Republic serials. Look for scenes from *Captain America*, *Zombies of the Stratosphere*, *Black Widow* and *Adventures of Captain Marvel*.

7:30 pm: The Man From U.N.C.L.E.

- The episode with William Shatner and Leonard Nimoy. Need we say more?

8:30 pm: Robin Williams HBO Special

- The first one, before most people knew how funny he was. Look for the famous people in the audience.

9:30 pm: War Of The Satellites

- Another great Roger Corman flick from the 60's, rarely seen nowadays.

10:30 pm: The Linnea Quigley Horror Workout

- Time to exercise with Linnea. Includes scenes from many of her movies, as Linnea and her friends slim down and *die*.

(And when the tapes run a little short, we'll be filling in the gaps with selected short subjects like *George of the Jungle* cartoons, Melies "Trip To The Moon" and Windsor McCay's "Gertie The Dinosaur". Saturday

12:00 am Dirty Pair OVA Vol.1 - The Ultimate Halloween Party 25 min

- The Dirty Pair are assigned to stop an arms smuggler, who's shipping a new combat robot. When it gets released they have to track it down, right in the middle of Halloween. Meanwhile several gangs are planning robberies...

12:30 am Monster City 90 min

- Every 300 years a Pact is signed between our world and the spirit world to control interactions between the worlds. Taki is one of the Night Watchmen, the people who guard our world against the Demons. He's assigned to protect our Ambassador along with a Female Demon Maki. However something doesn't want the Pact to be signed this time. Not for the squeamish or prudish.

SUNDAY

7:00 am : Dragonball 50 min

- There are Seven Magic Dragonballs, whom ever controls them all can ask one thing of the Dragon. Zero and his friends compete in a martial arts campaign to win the final one. (In English)

7:50 am : Ranma 1/2 50 min

- Rumiko Takahashi's (Urusei Yatsura) new series about a boy and his father who change into a girl and a Giant Panda when wet. Unfortunately Shampoo from China wants to kill the Female

Ranma and marry the male. What she doesn't know is they are one and the same.

8:40 am : Venus Wars 105 min

- When war breaks out on Venus, Hiroki and the Killer Komandos Rolling Game team get swept up in the conflict that engulfs their city. Eventually they are drafted into the army and sent to the front for the final assault...

10:25 am : Midnight Eye Goku I&II
2 hr

- Goku is a detective with the Tokyo Police until a run in with a powerful business man, nearly kills him. When he wakes up he's acquired a cybernetic eye and the capability to control any computer system. From the people who did Monster City.

12:25 am : Outlanders 48 min

- Princess Kahm gets impatient and attacks Earth early. When she's defeated by an earthing she falls in love and takes him back to meet Dad. Who's not quite so fond of him... From the manga.

1:13 pm : Dominion Acts III & IV
75 min

- It's war between Baku and the Red Commandos over a painting that looks suspiciously like him. Unfortunately Leonna and Bonaparte wind up in the middle of things, leaving Leonna running for her life with a wounded Baku.

2:28 pm : SD Gundam 25 min

- This is a series of short parodies of the various Gundam shows. Ends in the Gundam Olympics. Very funny.

Films

FRIDAY

8 pm: Highlander

- Christopher Lambert and Sean Connery and some great swordplay.

10 pm: Fright Night

- Chris Sarandon, Roddy McDowell and a pre-*Married With Children* Amanda Bearse in what was arguably the 80's best vampire flick.

12 pm: Something Wicked This Way Comes

- Based on the Ray Bradbury novel, a tale of evil in small-town America.

2 am: Night Of The Living Dead

- Do we really have to tell you anything about this one? (Yes, it's the *original*, not the remake.)

SATURDAY

7 pm: Real Genius

- Val Kilmer saves us all from yet another Strategic Defense Initiative, and manages to have a little fun besides.

9 pm: The Day The Earth Stood Still

- Michael Rennie and Patricia Neal as the original star-crossed lovers. Klatu Barada Nikto, y'all.

11 pm: The Thing

- Kenneth Tobey vs. James Arness - *and this time he doesn't have Miss Kitty to save him!*

1 am: Heavy Metal

- Many of you are wondering why this hasn't yet been released on videotape - but you can see the great rock/art fantasy here tonight!!!
