6:00 - 7:30 **Dreamchild** - The real-life story of Alice in Wonderland, and the man who created her. (Film)

7:30 - 9:15 **Howard The Duck** - Loosely based on the Marvel Comic by Steve Gerber, this one has a monster that special effects mavens shouldn't miss ... oh, yeah; and then there's this duck ... (Film)

9:15 - 11:00  
**Transylvania—6—5000** - Ed Begley, Jr., Jeff Goldblum, Geena Davis, Joseph Bologna ... with this kind of comic talent, how could you possibly miss the fun? (Film)

## Saturday:

8:00 - 12:30 **Saturday Morning Video Fest** - Yes, those Japanese are at it again, showing up American animators and producing some of the most skillful animé in the world today. Among today's video features are:

- **Project A-Ko** - Two girls fight for the love of a third, while aliens invade the earth. (They tell me this is a parody.)
- **The Dirty Pair Movie** - Two women investigate strange happenings and destroy things in their usual style.
- **Black Magic M-66** - Two robot commandos set out to kill their creator's daughter, and no-one can stop them.

12:30 - 2:45 **Brazil** - Terry Gilliam's irreverent view of the world ending not with a bang, but a whimper. Can love still conquer all? (Film)
