Games Information

As an experiment in programming, RiverCon is having gaming tournaments this year. All tournaments have prizes for first, second and third place players. Winners are determined by the judge for that game, and all decisions are final.

Sign-up sheets will be located on the table in front of the Hunt Room. Anyone who wants to organize an additional game may also leave information there. We have some space available for additional games, but it is limited.

We'd like to thank the following game companies for supplying prizes for the tournaments: Game Designers Workshop for Megatraveller; West End Games for Star Wars; Fasa for Battletech; and Hero Games for Champions and Fantasy Hero.

Please note that there is a \$2.00 registration fee for Battletech only.

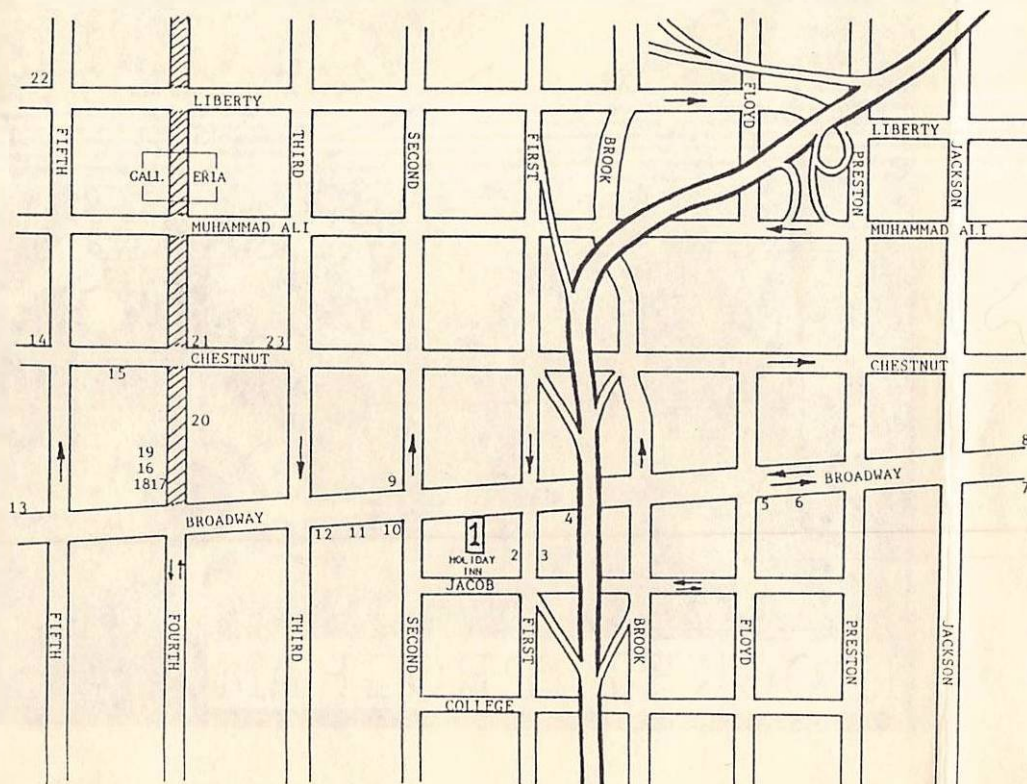

Saturday, July 30, 1988
