Welcome to Rustycon 2001!

A great thank you goes out to all our guests for their participation, and a very special thanks goes out to Sakuracon, the Camarilla, The KnightHawks, and the Beyond Reality Costumer's Guild for all their ideas, cooperation, and help in putting together this year's con and programming. Without them, you wouldn't have so many dilemmas about what panels to go! To!

On with the show!
