

## Questionnaire Instructions

The questionnaire below includes some of the most commonly asked questions at a Fannish Inquisition. Please email the completed answers to [stephen@boucher.org](mailto:stephen@boucher.org). We will post the answers on the Smofcon website, and will have printed copies available at Smofcon for review.

Please answer all the questions *in line* below. If a question doesn't apply to your convention please state: N/A.

If the answer won't be known until some future date, please provide an estimate of when you'll be in a position to answer. For example, for the question about room rates you might answer "These are expected to be agreed by [date]. Current internet rates are X per night room only for a double or twin and Y for single occupancy."

## The Inquisition

All Smofcon members will be able to submit questions for the Inquisition in person at Smofcon prior to the Inquisition. Submissions will be anonymous. *All submitted questions will be edited to remove any personal attacks.* We will encourage questions to be hard, but we will not permit them to be insulting.

We will follow the general format that has been used recently. The Inquisition will be moderated by Stephen Boucher and Elizabeth McCarty. They will be asking all of the questions submitted to the Inquisition.

The focus of the FI will be seated Worldcons and announced Worldcon bids (a bid which has formally announced its committee, year, and site and which is actively bidding.) Other bids will be given a brief opportunity to introduce themselves.

We intend to be aggressive at sticking to schedule. Don't make us yank you from the stage! We will allow A/V presentations from the seated Worldcons and announced bidders only. Time spent messing around with tech will count against your limit, so make sure to meet with us in advance to ready your presentation.
