How do I book my room?

You can either book online at: [VIP Executive Arts](#) using the code: (Insert code here)

The online booking with the code currently extends the period we have the block of rooms reserved. As stated in a previous email, the online booking entails:

Rates are those available in the form (Single Room (1 person) BB 74€ night
Double/Twin (2 persons) Room BB: 84€ night). Our deal includes breakfast (normal for such an hotel, hot and cold) and wifi.

Reservations paid in full upon booking;

1st night non-refundable;

If cancellations are made until 15/10, current agreed deadline for block availability, the amount paid will be refunded with the exception of the 1st night.

Cancellations after 15/10, cancellation at full cost.

To clarify, after 15/10, we no longer have the reserved block of rooms, so the code is no longer usable in the online booking process. To have the same rate from then to December, only through the form, and direct contact with the hotel. I've discussed this with the hotel, and they might be able to extend the use of the online booking code beyond 15/10, but they can only commit to that nearer to the deadline. So, for comparison:

Cancellation Policy:

Online Booking Before 15/10: Full refund, except first night

After 15/10: No refund

Form Booking 45 days from check in (estimated 19/10): 50% refund

15 days from check in (estimated 18/11): No refund

Special offers are currently available on the official website, including a non-refundable, breakfast included, rate
