TERWILLEGER HOLDS FEED AT HOME

Friday night, Guy Terwilleger held a beer and spaghetti feed at his house. All fen who arrived early at the con were invited. Present were Ron Elik, Miti Carr, 4e somebody, Terry Carr, Rog Phillips and several other BNFs who's names I can't recall at the moment. (I am typing this at two in the morning and I am not in very good condition. I seem to remember Andy Main and Al something.....Oh, the heck with it! They were a real nice group of people (the first fen I have ever met.) I must say that I wasn't in the least disappointed in them.

The feed took place starting at about 6:30 and ending around 1:00 in the morning. Coke, beer, assorted soft drinks and spaghetti were consumed. (Please forgive the spelling. I am about asleep at the key board at this and am in no mood to try and find a dictionary.)

After dinner, the talk extended on and on. That that I understood was quite enlightening.

About 8:00 P.M. Guy had Andy Main master some art for the program. Andy did it several times until he was satisfied and the program was run off about midnight or later.

Unless I am mistaken, I heard some comments about the roads around here. What with the sewers on the bench and the oneway streets down town, things were a mess. I have no doubt that there are still fen trying to find the hotel.

I am sure the feed can be called successful. I don't think there was anyone who didn't enjoy himself.

(I hope)

WELCOME TO BOISE, CITY OF SLUMS

It seems that more fen are not coming than are. Among the more prominent among the missing is Bjo Wells. She is at present residing in a hospitle and is unable to attend. I am sure she will be missed. I suppose I can go on for the rest of the column listing people who won't be here but I don't think I will bother.

SWIMMING PARTY TO BE HELD TODAY

At 2:00 P.M. today (saturday) a swimming party will be held at the pool. (Where else!) Although it is not too big, it should suffice. It gets awfully hot in the afternoon here and the pool should be a welcome relief.

Neo Party Compleat Flop.

(Not too important news so no capitals.)(Well....some)

Mike Johnson and I had previously planned to hold a party for the young fen at the Boycons. But as it turned out, Mike was the only one there so I guess it wasn't very successful.

I hope Mike enjoyed himself.

I am sorry this couldn't be a better news sheet, but I seem to lack energy to do a very good job tonight. I promise to do better tomorrow. There wasn't too much to report anyhow. Almost everyone was at the Terwilleger feed, and that was about all the news worthy of mention. Maybe something will happen today.

Bless you
