

Westercon 42 Program Schedule

Welcome to Conosaurus, the Forty-Second Westercon! This is your schedule of program items for the convention.

The schedule for each convention day is printed on a single sheet of paper for that day, organized by time and room. Program items that are scheduled outside the main programming time (including the morning) are on the reverse sides of the sheets. Panel Moderators, if any, are printed in bold type. Program items are planned to be one hour long, although each one is in a ninety minute time slot.

Harlan Ellison is attempting to set a new record for speaking on consecutive program items at a convention. He is scheduled for eight items beginning at noon Monday.

This schedule was up to date as of 3:00 am June 20. Please check the daily newszine, *The Fossil Record*, for updates to this schedule. Other information is available at the Westercon Information Desk in the Ballroom Foyer.

Don't forget to enjoy Disneyland while you're here! You may purchase discount tickets at Information.
