

WESTERCOLT 45

BULLET-IN

Bruce's thing

Well, not exactly his *thing*, err...

First, welcome to WesterColt .45, the rootin' tootin'-est convention this side of the Pecos. We're mighty glad and proud to be hostin' you this weekend.

We want to clarify and elaborate on the form that everyone is having to sign on registering at the convention.

The fact is that the hotel wrote up the form and we, the committee, agreed to it. Why? Because of a local Phoenix area problem (though it's also a national problem from what we've been hearing) that we've had for the past three or so years...hotel room damage caused by non-members who told the hotel that they were members of the convention. These are people who come to the convention just to party and couldn't care less about the convention itself.

A similar form was drawn up by another local convention's hotel three years ago after having experienced severe damage problems. Once the form was drawn up and we ensured that only *members* actually rented rooms under the convention's room block, the damage problem disappeared.

We felt that we could not afford another recurrence of damage problems. Therefore, we agreed to the form.

We're sorry since we caused some people heartburn over having to sign it, but our intent is not evil.

What's with the *Bullet•in*...

If you'd like to put anything in this at-least-once-daily newsletter, just drop your submission off in Con Operations — Suite 524. There's an attractive black letter tray located sitting on the desk just waiting for you. We're lookin' for announcements, party info, news, anything funny that occurred during the con, illustrations of anything that happened here, a funny saying you saw on a button — you name it, but remember, we definitely reserve the right to edit, chop, or nix anything we get...

Site-Selection Hours

Though it didn't show up in any of the publications thus far, the site-selection table will be open Thursday 2pm–6pm, Friday Noon–6pm, and later on Friday, 8pm–Midnight. It closes for good at Midnight Friday, so if you want to vote on the location of Westercon 47, stop by the table soon (located in the 3rd floor lobby area).

It won't hurt a bit...

Terri Lemons, in charge of the Blood Drive, says to remind you that everyone who donates gets preferred seating at the Masquerade Friday night *and* has a chance to win one of many door prizes. Help out some

folks who need one of your bodily fluids (no, not *that* fluid) over the July 4th weekend. The Blood Drive will be held Friday, noon–6:30pm, in Apache A.

Incredible animé auction

If you like animé (that's Japanese animation stuff to some), you're gonna love this opportunity. A huge animé auction — a collection full of comics, books, magazines, models, and more — will be held **Saturday**, 2:30–4:30 in the Maricopa Room.
