

BLAST OFF TO NEW WORLDS OF DESIGN.....

HAVE A

.....AT THE WESTERCON XV BANQUET

A fashion show will be presented at the Westercon XV Banquet on July 1, 1962. It will use both male and female models, and will offer styles connected with the heavenly bodies of the solar system. (...No, not those heavenly bodies. The planetary ones.)

YOU CAN HELP! Designs, materials, seamstresses, models, mountain movers, freeway flyers, whip crackers (...no, that's us...), coffee brewers, etc., are urgently needed. Fill in the requested information, send it in, and plan to attend the first "Solar Whirl" committee meeting, to be held on February 10th, at 2:00 pm at Matham House. There will be coffee, brainstorming and we will listen to all ideas on the subject.

*GET IN ON THE FUN.

Design a costume. If you need help, use the figures on the back of this sheet. (Trace them for more.) There will be a limited number of models, money, and materials so keep the designs simple and futuristic. If your design is used you will get full credit in the program; if it is not used, it will be returned. SEND THEM IN NOW.
