LASFS

Having held regular meetings since 1935 when it was formed by a group of ardent science-fiction fans, the Los Angeles Science Fantasy Society qualifies as the oldest organization of its type in the world.

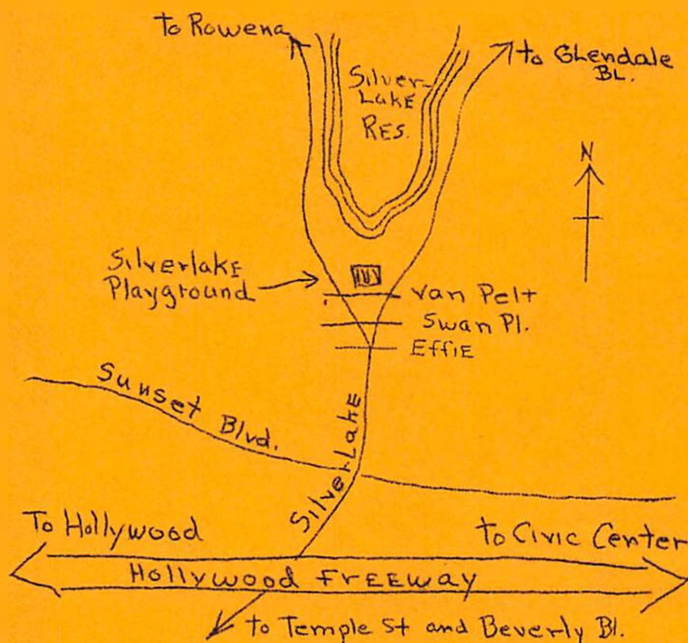

LASFS members include established authors, housewives, engineers, salesmen, physicists, magazine editors, teachers, students, artists, geologists, literary agents, librarians, machinists, and many others. LASFS is proud to be able to offer something for the enjoyment of virtually everyone who is interested in science-fiction.

Interest in science fiction and the world of the future has been a popular and active hobby of imaginative people the world over for many years. Many copies of Amazing Stories, Unknown Worlds, Fantasy and Science Fiction, and Weird Tales have come to rest in the collections of LASFS members and their counterparts in other countries. How about a chance to re-read the great stories of the past? Merritt? Shaver? Burroughs? Kuttner? The LASFS library contains the works of these and many other favorites from the pulpzine past.

Interested in amateur publishing or light opera, or perhaps a devotee of Arthur Conan Doyle? Come to LASFS and spend an evening talking with others who share your interest. Photography, costume designing, philately, book-hunting, ham radio announcing, rockhounding, gun collecting, and international correspondence all have their exponents among the LASFS membership.

The Los Angeles Science Fantasy Society meets every Thursday night at 8:00pm at the Silverlake Playground, at Silverlake Blvd. and Van Felt. Club programs include panel and general discussions, slide shows, and guest speakers. Guests are always welcome, so drop around and get to know the LASFS. One of the current topics of talk around the club is the forthcoming 20th WORLD SCIENCE FICTION CONVENTION which will be held in Chicago on the 2nd and 3rd of September, 1962.

The LASFS official organ SHANGRI L'AFFAIRES is available for 25¢ a copy, five issues for \$1.00, or in trade for letters of comment. For information on Shangri L'Affaires or LASFS contact Al Lewis at 1825 Greenfield Ave., L.A. or phone 473-6321.
