JULY 2-5, 1981**

Message from the Chair

Thank you to all of the people who have offered assistance and suggestions. There is not enough space to properly recognize your contributions at this time but be assured it's appreciated.

The Red Lion Inn will now be moving faster on confirming reservations. Over 25% of the rooms in the Red Lion have already been reserved. The Red Lion informs me that if you arrive before 6 p.m. on the day you've reserved a room it is not necessary to send in a deposit. My personal experience has shown it is better to send a deposit if possible, but it is not required. But please advise the Red Lion if you cannot keep your reservation so that someone else attending the Con can get the room.

We will have a room set aside on Sunday where baggage can be safely checked while you attend Convention events after checkout. Checkout time is 1 p.m.

Everything else is shaping up nicely with only minor problems. I certainly hope it stays that way.

Masquerade

The Westercon 34 Masquerade will be rather different this year. It will be in two parts, a Presentation Show on Friday night and a Mardi Gras style Masquerade Ball on Saturday night. Professional, Technical, Fan and Hall costumes will be judged on separate criteria. Entry forms will be available near the Registration and Information desks at the Convention.

The Presentation Show will be Friday night. Presentations will be judged then, but winners will not be announced until the Unmasking, Saturday at midnight. It will not be necessary to participate in the Presentation Show judging to enter your costume in the Masquerade Ball judging. However, you must be entered before 7 p.m. Friday.

The Masquerade Ball will feature an open party. We would like to see as many people in costume as possible. There is a cash bar adjoining the Thunderbird Ballroom and we plan to have a band and dancing.

If you know or have a band/musical group you would like to see entertain at the Ball, please have them contact Kim Lucien by mail c/o Westercon 34, P.O.Box 161719, Sacramento, CA, 95816 by May 31, 1981.
