

## WESTERCON 41 SITE SELECTION BALLOT

Voting for the Westercon 41 site selection shall consist of (1) filling out this ballot; (2) paying a fee of \$10.00 and (3) turning in this ballot to the current Westercon committee for tabulation.

Voting is done by the "preference" method. Once you have chosen the site you wish to vote for, place a "1" next to that site. Place a "2" next to your choice for second place, a "3" next to your third choice, and so on, until you have either run out of choices or do not wish to vote further. If there is a mark next to only one site, the ballot shall be counted as having cast a first-choice vote for that site. Any ballot which has marks other than as described above shall be ignored for the count.

Votes shall be tallied by the voters' first choices. If no majority is then obtained, the site which places last in the initial tallying shall be eliminated and the ballots listing it as first choice shall be redistributed on the basis of those ballots' second choices. The process shall be repeated until a majority is obtained.
