In either case, comment on your answer if you so desire.

8. On the back of this form, please list some of your favorite activities at science fiction conventions such as the aut. show, dealer's room, autographings, films, parties or other things.

9. Are you familiar with any science fiction or fantasy which discusses conventions, conferences or seminars as part of the story. Works such as Leiber's "Mysterious Doings in the Metropolitan Museum," Lem's The Futurological Congress & Fred Pohl's Jem, In the Problem Pit, have already been suggested but more suggestions, which could go on the back of this sheet, would also be appreciated. If you want to be notified about any work in the area of conferences and science fiction or want more information about what we're doing, please put your name, address and phone number on the sheet also. Thanks for all of your assistance.
