

Nothing to do for a few hours?

Volunteer now!

Badgers and Gofers
Always needed

Badgers-

Sit in a public place, talk to people, generally schmooze, and make sure that only paid members of the Con go into the room that is being Badged.

Gofers-

Get to be the arms and legs of important people at the Con and get to meet important people at the Con. Gofers also get to be in the Art Show quite a bit.

T-Shirts to volunteers who put in more than 4 hours of volunteer work during the con.

Go to Room 627, Corporate Suite, across from the Con-Suite.

There might be *Food, Drink and Games!* But knowing how things go, probably not. But we do have a **T. V. to watch Deep-Space Nine** at 8 O'clock on Saturday night. Of course, this is during the banquette, so there won't be many people there, but the seating space is limited. Unless the Hotel screwed things up again....

To get to the Volunteer Services room, go to the Elevators, get in one, push the #6 button and get off of the elevator at the Sixth floor. From the elevators, take a left down the hall and it is the first suite on your left. The Consuite is right across the hall, so stop in for a cup'a soda first. Then come in and we will talk about your scheduling!

Reminder- If you have paid a **workers membership(\$10)**, go to the Volunteer Services room to sign-up now. If you do not put in your mandatory 4 hours of work this year, you will not be allowed to have a workers membership next year. Or Rena will hunt you down and make you do work...
