43rd world science fiction convention

AUSSIECON TWO ALL PURPOSE VOLUNTEER FORM

This form is included with PR 3 as a general request for volunteers. While Aussiecon will be small compared to recent World Science Fiction Conventions it is still going to require the work of a large number of people at the con to be a success.

It should be understood that Aussiecon is being run by a non-profit organisation and that all people who volunteer to work for the convention do so on the basis of freely offering their time and that they have neither been promised, nor expect, any recompense or remuneration for their services. As agreement to these conditions people should sign this form: Signature _____ Date _____

Name _____ Membership No _____

Address: Street/PO Box _____

City _____

State _____ Country _____ Post Code/Zip _____

A number of people have already volunteered their services and while we have a file of volunteers we would ask that these people also fill out this form as it covers a number of areas where we require information.
