MEMBERSHIP INFO

There are two classes of Worldcon membership - Attending and Supporting. Attending members get copies of publications, the rights to nominate and vote for the 1991 Hugo Awards, and (with payment of additional fees) the right to vote for the site of the 1994 Worldcon. Most importantly, they also get to show up and participate. Supporting members get all of the above except, of course, the opportunity to attend our convention.

Full Attending Memberships are $75 each until 31 December 1989. Rates for 1990 and 1991 have not yet been set.

Supporting Memberships are $20 each until 31 December 1989, and no determination on future increases has been made. Supporting Memberships may be converted to Attending at any time up to 15 July 1991 by paying the difference between the fee you paid for your Supporting Membership and the current Attending fee.

Children's Memberships (a child is defined as any person who will be 1 or younger as of 29 August 1991) come in three types:

A: A child may acquire a regular Attending membership at the current rate and will receive all of the normal privileges of membership. They will not also be entitled to child-care services provided by Chicon V.

B: A child-care membership is available for $75 until 15 July 1991. Only children with child-care memberships will be able to use Chicon V child-care services, and these memberships will not be sold at the con. Child-care members will not receive publications, nor will they be allowed to vote.

C: Registration for kids-in-tow will be available at any time at no charge, but these children must be accompanied by a responsible adult whenever they are in Chicon V function areas. They will not receive publications, will not have voting rights, and will not be entitled to Chicon V child-care.

[Whenever fees are mentioned in Chicon V publications, we are referring to amounts in United States dollars.]

General Information

The postmark date on your membership payment envelope will be considered the official date of payment, and will determine how much you owe us. Please mail your memberships well before any deadlines to avoid postal delays.

All checks must be made payable to "Chicon V", must be in US currency, and must be drawn on a US (or Canadian) bank. Foreign-bank checks incur incredible handling fees which Chicon V cannot absorb. We can accept Postal Money Orders without penalty, so long as they are payable in US dollars.

Any check returned to Chicon by our banks, for any reason, will have a service charge (currently $15) added to the draft amount to cover our processing expenses. Chicon V will contact the writer of a returned check once; if we do not receive a reply to that letter, your payment will be treated as though it had never been sent to us.

In the event of any dispute over payment, the burden of proof rests with the member, so please retain your cancelled checks as your receipts. Chicon V will endeavor to acknowledge each membership or other payment as it is received; if you don’t hear from us within six weeks, please write again and remind us that you sent money and would like a response.

All mail related to registration must be sent to the Chicon V registration address:

Functions & Activities

Chicon V has signed the formal facilities contract with the Hyatt Regency Chicago, which will be our primary hotel. The Hyatt, which hosted Chicon IV in 1982, contains 2041 sleeping rooms (1700 of which are blocked to us) and more than 210,000 square feet of function space.

The best news about the contract signing is the room rates. Are you ready? How would you like to pay only $70/night for a single or double room? We thought you would. The triple/quad rate is not quite as good a bargain, unfortunately—$90 triple and $110 quad. Of course, suites will also be discounted, e.g., a Park Suite which normally rents in 1989 for $1000/night will be $380/night for Chicon V.

These are not just estimated rates that are subject to inflation: the Hyatt has guaranteed these rates to us for 1991, and they will be effective for con members staying anytime between August 16 and September 9, 1991.

Please don’t try reserving your rooms now; there are plenty to go around. A full rate schedule and hotel reservation card will be sent out with a progress report in late 1990 or early 1991.

Parking in the Hyatt garage will be 1/2 of whatever the 1991 price is (currently, rates are $14/night).

For groups planning on throwing parties, the Hyatt has agreed to waive corkage provided that certain conditions are met. Details will appear in future progress reports. And yes, we will be having “party floors” and “quiet floors.”

We are currently negotiating overflow space for sleeping rooms. Info on overflow space will appear when a contract is signed.

If you have any questions about the hotel, please write to Ross Pavlac, Chicon V Facilities Liaison, at our Chicago P.O. Box.

Ross Pavlac

Art Show

The display area will be in Wacker Hall, located on the lowest level of the East Tower of the Hyatt Regency Hotel.

There will be approximately 350 panels available for hanging flat art work, some 50 tables for 3D pieces, supports for free-hanging art, floor space for large standing items and for artists who have their own display stands, and walls for those who hang that way.

Prices cannot be set until we are closer to '91, but we will certainly keep them as low as possible. Artist information will be mailed out in January '91, and registrations will be accepted until May 31 of that year.

Artists may write for information and their names will be kept on file until the mailing date.

Con Suite

Oh, boy. Here we go again!!

It’s really too early to have any specific details about the Chicon V Con Suite, except:

1. We will be in the Belmont room, just as we were for Chicon IV.
2. We will have the usual comestibles that you have come to expect from a Chicago con, and maybe some real surprises (I’m working on them).
3. This will be a real party Con Suite, in the tradition of all good midwestern cons.
4. We will be open very late, but who knows (at least for now) how late or how early we will be open.
5. There is no five.
6. We Need Help! (I know that.) Seriously, folks, we need lots of people to help us run the Con Suite. If you can help, drop us a line at the Chicago P.O. Box, and let us know what you want to do.

Dealers’ Room

Deposits for tables and booths in the Chicon V Dealers Room will be accepted beginning September 5, 1989, immediately following Noreascon 3. All deposits received before that time will be returned to the senders. Deposits will not be accepted in person at Noreascon 3.

All reservations for Dealers Room space postmarked between September 5, 1989 and October 2, 1989 will be handled as if they had been postmarked on October 2nd. Priority numbers will be assigned at random from this group of reservations. All subsequent reservations will be handled by postmark, in chronological order.

All potential dealers on our mailing list will receive the next Dealers Room update bulletin when it is published. It will contain information on the number of tables and pricing. Anyone requesting information will be sent the current Dealers Room flyer and will be added to the mailing list. We have a number of dealers who have moved and left no forwarding addresses. Any such dealer reading this article may be reinstated on the mailing list simply by sending me a change of address card. If possible, please include your telephone number.

After Noreascon 3, tables may be reserved by sending a deposit of $50.00 for each table, with a limit of three tables per dealer. A booth may be reserved for a deposit of $100.00, with a limit of one booth per dealer. No combination of booths and tables will be allowed. All checks are to be made out to "Chicon V". All persons who hold the $95.00 presupporting memberships will receive a separate letter explaining their status in regard to priority number assignments and the payment schedule for the Dealers Room.

For information, to have your name added to the mailing list or to make a Dealers Room reservation (during the time indicated above) write to:

The Program Division is gearing up to present a full and varied program. We want to examine science fiction's myriad manifestations in today's world. From the many forms the written word can take, to fine and decorative arts in every medium, to performing and entertainment arts - we want to touch on every expressive facet of fandom. Hopefully, we'll also get the opportunity to examine the roots of today's fannish activity, and to try to project what tomorrow may bring, for science fiction and fandom in particular, and for the world in general. No matter if you're a trufan or a Trekfan, a comics fan, a gamer, a filker, a movie buff or an ani-maniac, we hope you'll find programming to interest and entertain you at Chicon V!

We welcome your suggestions and/or comments regarding programming, and, of course, we're seeking volunteers for our staff. To communicate with us, just drop us a line via the Chicago P.O. Box, care of the Program Division. If you've already volunteered but haven't heard from us since you signed up, don't despair; we haven't forgotten about you. All volunteers should be receiving an initial staff mailing around August 1, 1989.

In PR#2 we'll tell you something about the different types of programming we're planning, and enumerate the various activities covered by the Programming Division umbrella. In addition, to give all you enthusiastic but undecided fans a better idea of where you might fit into the scheme of things, we'll give you more specific information about the kinds of jobs available.

Cathy FitzSimmons & Debbie Wright

---

Thanks to all of you who supported Chicago in its efforts to become the Forty Ninth World Science Fiction Convention! Your time, money, and suggestions were very much appreciated. Now your time and suggestions are needed again. Write us. We want to hear from you.

In future PR's we are going to experiment with a "Letters to the Editor" column, a "Restaurant Review" column, a "Tourist Trap of the Half Year" column, maybe even (gasp) a "Suggestion" column! In order to have Letters, or Suggestions, you must send a letter with a suggestion. How unique, how exciting, how awesome, how soon can we expect to hear from you?

Yours in Terror,
Kathleen Meyer
Chairman, Chicon V
