Art Show - Dealers Room

Dear Dealer/Artist,

As you may have read or heard the 1990 World Science Fiction Convention will be held in The Netherlands. For you as a dealer/artist this opens a whole new world of possibilities. For the first time you'll be able to display your material on the continent with many thousands of fans unfamiliar with your products, books or paintings.

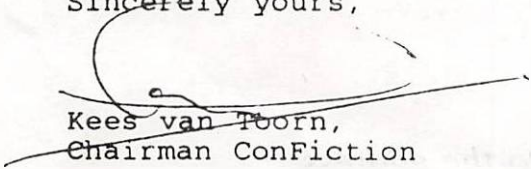

ConFiction, the 48th World Science Fiction Convention will take over the whole of the Netherlands Congress Center. A building suited for your and our purposes. With many spacious halls and rooms and excellent facilities like loading docks and freight elevators.

In a later stage we will announce rates for tables and panels. And we'll provide you with advice on the preparation of paperwork for customs, and the shipping of your materials. As a (sea-faring) trade nation we know how to handle your requests quickly and with ease.

If you want to receive information please fill out the form below and send it to our address (see the back of the form). And if you've already decided to come, then you could send us an estimate of tables and/or panels you require. We'll be glad to quote you a price as soon as these are established.

Take the opportunity to get in touch with fans and customers on the other side of the ocean. We'll be glad to welcome you to a convention where you could mix business with pleasure in the best possible way!

Sincerely yours,

Kees van Toorn,
Chairman ConFiction
