Dear mr. and mrs. Slater,

The forty-eighth World Science Fiction Convention "Confiction", takes place in The Hague, Holland, from 23rd through 28th of August 1990. At this convention, the Dutch Contact centre for Science Fiction (the NCSF) will present a programme item to commemorate its silver jubilee.

This programme item will take place on the 26th of August, at ten thirty a.m. It will consist of an overview of the NCSF's history, taking the form of a lecture with matching (panel) discussion.

As a former Guest of Honour to a Dutch Benelux-convention, you are a valued part of the NCSF's history.

Therefore we would ask you, in case you are present at the World Convention, if you would partake in this programme item.

Hoping for a positive reaction,

with kindest greetings

Robert Houwerzijl
Acting secretary NCSF
