Art Show and Dealers Room

No Worldcon without Art Show and Dealers Room. And the facilities of the Netherlands Congress Centre are among the best in Europe. At the moment we are negotiating with Customs on import duties. Furthermore we shall try to arrange special shipment facilities from the UK to Holland. It would strengthen our negotiating position to know how many of you are planning to exhibit your wares. More information? Fill out the form on the back or write to our address below.

Mouse For Sale!

No, *not* the Mouse itself. But you can have its portrait in three colours on the front of our new T-shirts. They have proven to be very popular, hence the new 'edition' in five sizes:

**Small Medium Large Extra Large

Extra Extra Large!**

And in just *one* price: UK£8.00

Come and see us at a convention between now and 1990 and buy yourself an original T-shirt. It also makes you an honorary crew member of the Mouse That Roared, our sailing ship en voyage to ConFiction. You can also order your T-shirt by mail. Programme and Participation

We supply the Programme, but only you can make it great! For organizing a Worldcon is one thing, making it run smoothly is quite another. For that we need you! Lend a hand as a gopher, volunteer to help in the field you like, or in which you are experienced. And if you come up with a programme item or a suggestion, don't hesitate to write us. The same goes -without saying- for any special equipment or facilities you think you need (e.g. those for handicapped).

Fill out the form on the back or write us. And again, an IRC will help speed things up. Thanks!
