Friday 16 Plus

Friday 16 Plus

An abstract painting featuring dark, thick, tentacle-like forms against a background of vibrant, textured colors including purple, pink, and yellow. The tentacles are rendered with a sense of movement and depth, some showing lighter, possibly internal, structures. The overall style is expressive and somewhat surreal.

Saturday 16 Plus

Saturday 16 Plus

An abstract painting of a dragon in shades of purple, pink, and black. The dragon is depicted with long, flowing neck and tail, and its body is covered in intricate, dark patterns. The background is a mix of soft, blended colors in the same palette.
