## MEMBERSHIP INSTALLMENT PLAN - OVERVIEW

The Interaction Installment Plan enables fans to spread the cost of an Attending membership over up to 12 months. Under the Plan, you buy a Supporting membership first (£30 or \$45) and then pay the fee for conversion to Attending membership in quarterly installments of £20 or \$30 (the final payment will be adjusted to ensure the overall payment is correct). **The total charge for your Attending membership will be frozen at the time you sign up to the Plan.**

Installment Plan members can immediately pay their outstanding balance at any time whilst they are in the Plan to become full Attending members. You cannot transfer the membership to someone else until it is paid in full, however you can pay the remaining balance on a membership and then immediately transfer it.

If you want to drop out of the Plan, we will refund all payments apart from the initial supporting membership fee and a £5 administration charge, and you will be a Supporting member of Interaction.

Installment Payments can be made by credit card or by cheque / money order / giro transfer, and fall due at the start of each calendar quarter, starting at least one clear month after you join the Plan. So if you join in May 2003, you would pay £30 straight away, then £20 on July 1<sup>st</sup> 2003, £20 on October 1<sup>st</sup> 2003, and £5 on January 1<sup>st</sup> 2004 for a total of £75.

The Installment Plan is open to all new members, plus people who already hold either a Supporting membership or who Pre-Supported Interaction. It will not initially be open to Friends or to Supporters who also Pre-Supported, as the conversion fees for people in these situations are low enough that the Installment Plan is unnecessary.

### How to Join

Installment Plan Forms are available from our website or our Agents. If you are not already a Supporting Member or Presupporter, then you need to submit a normal registration form (online or offline) to purchase a new Supporting Membership at the same time as your Installment Plan form.

If you choose to pay by Credit Card, you need only provide your Card information once, and we will automatically charge your card as each quarter comes around. Visa, Mastercard and AMEX cards will always be charged in UK Pounds, and Discover cards will always be charged in US\$.

If you choose to pay by other means, then we will write a letter to you enclosing a confirmation of your payment schedule. You will then be responsible for ensuring that your payments are made on time. The schedule will include a reference number, to be quoted when making giro payments, and tear-off slips, to be sent in with cheques / money orders if you are physically posting your payment to us.

Most of our Agents can accept Installment Plan payments in local currency – please contact your local Agent for more information on local rates if required.
