A European Worldcon™ Bid for  
GLASGOW

Building on the success of Confiction and Intersection, a group of UK and European fans have consulted on bidding for another Worldcon in Europe. After two years we can finally announce our site. We are bidding again for Glasgow, to use the improved SECC including the new Armadillo conference centre:

We hope to have your support: only with it can we win the bid at ConJosé, the 2002 Worldcon in San José. Interact with us in the UK and across the world to bring the Worldcon to Europe for an 8<sup>th</sup> time.
