To: Site Selection Administrator for the 2024 Worldcon in Glasgow

This letter is to confirm the existence of a signed contract with SCIFI, Inc. for the Anaheim Hilton to host a convention on August 27 – 31, 2026. This contract sets aside a significant portion of our function space as well as a block of 1300 sleeping rooms on the peak nights of the convention, at a base rate for standard sleeping rooms at \$179/night.

The entire team here is beyond thrilled at the opportunity to welcome this amazing event back to our hotel after many years. We know 2026 will be here before we know it and we eagerly await the results of the voting during the 2024 Worldcon in Glasgow. Should you need anything additional from us in the meantime, please do not hesitate to contact me.

Wishing you all the best.....Ian
