Dear Fan,

It's that time again – site selection voting. For the next month or so, Bucconeer will be accepting ballots for deciding where the 59<sup>th</sup> World Science Fiction Convention will be held.

We think that Orlando is ideal for a Worldcon in 2001.

We're writing to tell you about ourselves and to provide you with information that may help you decide where fandom's family reunion for 2001 should be held.

We are bidding to hold the 2001 Worldcon at the incredible Walt Disney World Swan and Dolphin resorts complex in Orlando, Florida. With a block of 1850 rooms, 140 suites, and more than a quarter of a million square feet of meeting exhibit space, the site is compact, beautiful, and welcoming. The Dolphin (a Sheraton property) and the Swan (a Westin) are jointly run with a single, direct reservation system for both hotels.

Our committee is a dedicated, experienced group, which includes the chairmen of all three Noreascons and of Orlando's 1992 Worldcon, MagiCon.

Our prices are right – low hotel rates, free parking, the lowest-cost rental cars in the U.S., and lots of flights at competitive prices into Orlando's International Airport.

We hope you'll consider us the best choice for the 59<sup>th</sup> World Science Fiction Convention. We've included additional details with this letter, along with a copy of the official site selection ballot (due by mail to Bucconeer's site selection office by 10 July 1998 or vote in person at Bucconeer).

If you'd like more information, feel free to check our Web site (<http://www.mcfi.org>) or write us, either at the address above or, by email, to [info@mcfi.org](mailto:info@mcfi.org). And if you plan to be at Bucconeer, the 56<sup>th</sup> Worldcon in Baltimore this August, please join us (and the fantastic flamingos of fandom) at our parties Wednesday and Thursday nights.

**Every Worldcon needs a bit of magic!**

Sincerely,

***Magicon 2: Boston for Orlando in 2001***
