The Millennium Philcon activities may start on Thursday morning, but the traditional **Opening Ceremonies** at 4 pm in the Marriott Grand Ballroom is the official beginning of the 59<sup>th</sup> World Science Fiction Convention. Sometimes corny and awkward, the Opening Ceremonies present the birth of a Worldcon — the unveiling of the result of years of hard work by the committee. Please attend and share our joy.

The **Meet and Greet** on Thursday evening at 6 pm in the PCC Overlook Cafe is an opportunity to socialize with our Guests of Honor and other program participants. The Exhibit Hall will also be open for your enjoyment with a few surprise activities planned as well.

## Gaming Changes for Thursday

*A Parent's Guide to Gaming* is **Cancelled**.

## Be Kind to Your Hotel

- Don't post anything on any surfaces in the Marriott. There are wire grids in the elevator lobbies for posting flyers.
- Please don't hang anything on the fire sprinklers in your room. [*As the chair of Disdave 1997, I wish to stress that a broken sprinkler can ruin your whole con. – MRN*]
- We have been warned to caution people to keep an eye on their notebook computers at all times.
- Make sure your room door is firmly secured whenever you leave it or retire for the evening.

## Frankly Speaking

Printer and philosopher, scientist and revolutionary, diplomat and lover, Benjamin Franklin may have been the closest thing to a real life Heinlein hero. The Sage of Philadelphia's connection to the worlds of science fiction and fantasy – his fantasy of an autobiography, his mad scientist experiments, and dabbings with alchemy etc. – will be the subject of several hours of frank discussion.

Today at noon, the Ben track opens with *Master of Science, Master of Propaganda* (CC204C). The panel will be followed with *The Wisest Man in the World: Ben Franklin in Fact and Fiction* (3pm CC202B). Move next door at 4 pm for *SF Ben Franklin Could Have Known: The Very Early History of SF* (CC203B). On Friday, there's *Ben Franklin: The Light of Reason and the Light of Alchemy* (10 am CC104B). At 1 pm, panelists will discuss *Radical Philadelphia Visions: Benjamin Franklin and Scott Nearing* (CC104B) At 4 pm, MilPhil will extol *Franklin's Genius and the Genius of Science Fiction* (CC104B). Finally, Saturday will feature *The Future of Science and Technology As Viewed from Franklin's Time* (2:00 pm CC201A).

Kids can enjoy a film about how Ben Franklin owes it all to a mouse in *Ben and Me* (Friday 1:00 pm CC101), part of MilPhil's Camp Franklin track of programming for children (and others), named for you know who.

## Anime Program Changes

Anime will start running its 24-hour schedule on Thursday, August 30<sup>th</sup>, in Rooms M408/409. Thursday's schedule is as follows:

### 4 pm **Bugs Bunny Tribute**

*Different directors and their perspectives on how to direct a Bugs Bunny cartoon.*

### 6 pm **Cowboy Bebop**

*Originally scheduled to begin at noon, we will be running the entire series in one marathon! Come see one of the best series to come out of Japan in the last few years! Description: The year is 2071AD: driven out of their terrestrial eden, humanity chose the stars as the final frontier. From the section-by-section collapse of the former nations, a mixed jumble of races and peoples came. They spread to the stars, taking with them the now confused concepts of freedom, violence, illegality and love, where new rules and a new generation of outlaws came into being.*

The rest of the schedule, as printed in the pocket program, is correct from 10 am on Friday for the rest of the convention.
