
MILLENNIUM PHILCON FLASH

ILLUMINATING THE MEMBERS AND SUPPORTERS OF THE MILLENNIUM PHILCON
NUMBER 1

A Message From the Chair

On behalf of the Millennium Philcon Committee, I would like to thank all of the members of Bucconeer for choosing Philadelphia as the site of the 59th World Science Fiction Convention.

The convention will be held August 30, through September 3, 2001, at the Pennsylvania Convention Center and Philadelphia Marriott Hotel.

Our Guests of Honor are:

Author	Greg Bear
Artist	Stephen Youll
Fan	George Scithers
Editor	Gardner Dozois
Toastmaster	Esther Friesner

You are receiving this mailing for one or more of the following reasons:

1. You were a presupporter of the bid.
2. You voted in the site selection held at Bucconeer.
3. You have purchased a membership in the Millennium Philcon, either by converting the supporting membership you received for voting, or by purchasing a new attending or supporting membership.
4. You have attended Philcons in the past.
5. We think you might be interested in attending the Millennium Philcon.

This mailing includes a copy of the current registration form. The current rates are good through April 5, 1999. If you would like to register, fill in the form and send a check to the address at

the bottom of the page. There are also text and Adobe Acrobat (PDF) versions of the form on our website (<http://www.netaxs.com/~phil2001>). If you're not sure whether you voted or presupported, please write, or e-mail us at phil2001@netaxs.com. We'll check the records and let you know your status so you can be sure of the correct registration fee.

If you're already a member of the Millennium Philcon, thank you for your support. You can use the registration form to add relatives, friends, co-workers, etc., who would also like to attend, or pass the form on to someone you think might be interested. Worldcon memberships make great gifts!

Once you have registered, please remember to send us notification if your address changes at any time between now and the convention. We don't want any information to miss you. If you know your nine digit zip code please provide it - it will help our mailings to reach you sooner.

Copies of our bid postcards featuring "Ben Franklin Through Time and Space" remain available for those fen who would like to complete their sets. However, any cards purchased from now on will be marked so that they cannot be used to obtain the free membership available to those presupporters with 20 postcards.

Our first progress report will be issued in the second half of April, in order to include all members who register before the price change. If you are interested in advertising in this issue or future issues of the PR, please get in touch with us by e-mail or snail mail, and we'll send you the rates and layout requirements.

A Message From the Chair

(continued)

We are always looking for fans who are interested in helping with the convention, either in advance or at the con. If you're interested in becoming a member of the committee and working on the convention, please contact us and let us know what you would like to do. While we can't guarantee anyone (except me) a specific position, we'll try and find something you'd be interested in doing. There are still plenty of available positions; running a Worldcon takes lots of help!

If you see any of us at your local convention, come by and say hello. We want to meet as many of our supporters as we can. Tell us what you'd like to see at your Worldcon. The more we know about what the fans want, the better the convention will be for all of us.

Sincerely,

Todd Dashoff

Millennium Philcon Dealer's Room

Please do not inquire about the Millennium Philcon Dealer's room at the present time. Yes, there will be a Dealer's Room, but at the moment we are not ready to process requests for information. We will inform all our members when we are ready to take the names of interested parties. Getting your name in first will not give you any advantage, so please wait until we are ready.

Progress Report Schedule and Ad Rates

The Millennium Philcon will be mailing out two kinds of publications; brief newsletters (*Millennium Philcon Flash*), and Progress Reports (*Poor Richard's Almanac*). The newsletters will be published as needed for information we want to quickly present to the members. The Progress Reports will be the traditional pre-con publication. We will be publishing about two Progress Reports each year.

Progress Report 1 will be published in April, and Progress Report 2 will be published in mid-November. We will be selling ads in the Progress Reports; the deadline for PR1 will be 3/1/99, and the deadline for PR2 will be 10/12/99. The ad rates for PR1 and PR2 are:

Size	Class

1/4 page	30	60	90
1/2 page	50	100	150
